

ERASABLE PAPER PRODUCT
ABSTRACT OF THE DISCLOSURE

A paper product comprising a base sheet and a marking-erasable coating is disclosed.

- 5 The base sheet can comprise a base-sheet core and a base-sheet coating. The marking-erasable coating is water soluble or water dispersible and can include, for example, various natural or modified starches applied at a coating weight sufficient to make the surface of the paper product erasable. The paper product can be substantially recyclable or substantially repulpable. Also described is a method for making the paper product.
